

Song: Lead Story

If it bleeds it leads
and if it bleeds it feeds
the want of eyes
and I who bring you
this festival of fear

If it bleeds it leads
and if it bleeds it sees
the devouring eyes
and I who recite you
this carnival of crime

If it bleeds it leads
and if it bleeds it reads
the hunger of eyes
and I who offer you
this parade of pain

If it bleeds it leads
and if it bleeds it needs
the sanction of eyes
and I who perform you
this theater of theft

If it bleeds it leads
and if it bleeds it heeds
the fickleness of eyes
and I who play you
this symphony of sin

If it bled it led
the broken the dead
the aversion of eyes
and I who sing you
this lyric of loss
